

LBEP Practical Exercise 01

Writing a program in C Language to show a menu as the **figure 01**

A screenshot of a Windows command prompt window. The title bar shows the file path "D:\02. Works\02. Bai tap\01. LBE...". The command prompt has a blue background and white text. The output of the program is as follows:

```
*****  
===== C PROGRAM LANGUAGE =====  
      1-Question 02  
      2-Question 03  
      3-Exit  
*****
```
